

## Licensed NLP Practitioner

### Learning Objectives

An NLP Practitioner is someone who has learnt to use the principles and techniques of NLP to enhance their personal effectiveness and improve those same skills in others

### Location:

The Ibis Hotel, Lilley Road, London

### Duration:

7 Days

### What you will learn:

- Master your own emotions and run your own mind
- Gain 'instant confidence' and motivation in a wide variety of situations
- Access your unconscious learning ability at will
- Use language with greater precision and elegance
- Change unwanted behaviours in yourself and others
- Remove unnecessary fears and phobias
- Discover your true potential
- Create better working and more satisfying emotional relationships

### Certification:

The NLP Practitioner Certificate is awarded for demonstrating the ability to use the attitudes, principles and techniques of NLP with yourself and others.
