

Neuro Linguistic Programming - Trainer Training

Learning Objectives

This five day Licensed NLP Trainer and Advanced Platform Skills Seminar will teach you accelerated NLP teaching formats which blend entertainment and education within your communication. You will learn Dr Bandlers own unique patterns for unconscious installation that you can incorporate into any group teaching or training environment.

Pre-Requisites

Delegates must be trained to Master Practitioner level and be a member of the NLP Society.

Topics:

- ✚ The structure of training excellence from the creator of NLP
- ✚ Up to date patterns of group influence
- ✚ How to work with unconscious installation patterns
- ✚ Use your energy to create patterns of change in your trainees
- ✚ Blend entertainment with education
- ✚ Accelerated NLP teaching formats
